

Newsletter for the week beginning Monday 15th April

Our Virtue to Live by this week is

Collective Worship

This week, Kindness Class delivered a wonderful Collective Worship about St George. Year 1 reminded us about St George becoming a legendary figure in English history due to his courage and bravery. Kindness Class retold us the story about how St George became the patron saint of England and concluded with the national anthem. Well done Year 1!

Learning through VR

Artsmark News

As you will be aware, we are developing our arts & culture curriculum to ensure we have an ambitious offer across our school. We will achieve this by creating an overall commitment to the arts & cultural education. Each week, we will share news about our development and progress in this area. Please follow our journey towards this accreditation on our school website.

This week, Generosity Class have been busy making creating pivots and linkages to create moving monsters for their English stories. Joy Class have been studying art by Henry Matisse and using lines, shapes and shading in their sketch books this week.

Year 6 Residential Meeting

There will be a residential meeting after school for Year 6 parents/carers on Wednesday 24th April immediately after school. During this meeting, staff will include important information & kit lists for the visit. This will also be an opportunity for our Year 6 parents/carers to have a discussion about the upcoming Key Stage 2 SATs.

Football News

This week, our football team competed in a match against Corpus Primary in the Bishop's Cup. After a thrilling game, Team CtK edged the win in a 4-3 victory which will see them progress into the quarter finals! Well done!

Thank you to Miss Riggs who organises these fantastic opportunities for our pupils to participate in. Also, thanks to Mr Piratsu for refereeing the fixture. We look forward to playing St Benedict's in the quarter finals at home.

Attendance Reminders

Please ensure that your child attends every possible day and avoids any additional absence. We will be arranging further meetings with Parents/Carers to discuss attendance with those families who are still causing some concern. We are noticing an increase in holiday requests during term time. Parents can be fined for taking their child on holiday during term time without consent from the school. Taking a holiday during term time means that children miss important school time - both educationally and for other school activities.

Every single day makes a difference to your child's future. As a school, we are working hard to close attainment gaps and we can only do this with your support.
